

# Finally, a master's program that puts

## in the driver's seat!

**Marygrove College\* offers 4 online Master in the Art of Teaching Degree programs, designed to meet your needs as a working teacher:**

- Curriculum, Instruction & Assessment, K–12
- Elementary Reading & Literacy, K–6
- Elementary Mathematics, K–5
- Middle Level Mathematics, 6–8

**How does this latest model in online learning work?**

- You complete a course every 7 weeks, with a weeklong break between courses
- You'll finish your program in less than 2 years
- Courses are online (powered by Teachscape) and feature interactive video case studies and commentary from classroom teachers and renowned education experts
- Course assignments and activities are relevant, allowing you to draw from your experience as a classroom teacher
- Constant support and feedback is provided by colleagues and faculty mentors
- The technology is intuitive and easy-to-use
- The program is affordable
- Enroll in a group of 5 and receive a 5% discount on tuition
- Financial Aid and Payment Plans are available
- No driving to campus—you work when and where it's convenient for you!

**Make battling traffic to campus a thing of the past. Attend a FREE online information session!**

Never worry about parking again! Attend a FREE online information session right from the comfort of your home and we'll give you a \$25 gas card. To register online, visit [www.marygrove.edu/mat](http://www.marygrove.edu/mat) and click on the information session date you want to attend.
