

Adding Differentiation to Your Toolbox – Series 3

In this workshop, you will learn the What, How and Why differentiation in your classroom will meet the needs for every student. The workshop will provide background information on differentiation as an instructional model, provide instructional strategies to support differentiation, and a plan for how to make it all work. Participants will leave this workshop with resources, sample lessons and tiered activities to use in any content areas in order to implement differentiation strategies in the classroom.

WHO: Classroom teachers, Intervention Specialists, Special Area Teachers and Administrators

*Attendance at Toolbox 1 or 2 Workshop is preferred, but not required.

WHEN and WHERE: Choose one workshop based on your grade level
