## SPORTS FORCE PARKS STADIUM

**SPORTS FORCE PARKS AT CEDAR POINT SPORTS CENTER**  
Sandusky, OH

There is something about playing the game that lights up a person's eyes. But for children and adults facing serious physical and mental disabilities that opportunity can often be difficult to achieve. Sports Force Parks Stadium removes the barriers that keep these players off the baseball field and lets them experience the joy of sports. But it's more than playing a game. The events and leagues run at Sports Force Parks Stadium is about making new friends, building self-esteem and being treated just like other athletes.

As part of our programming at the facility as well as our commitment to the community, Sports Force Parks' vision is to work with our partners to run events and leagues out of the stadium. When and where possible, the events will be tied in with other tournaments at the facility to create a destination feeling for all athletes involved.

Sports Force Parks also has two playgrounds on site that are ADA Accessible; one of which is directly beyond the centerfield wall of Vacationland Federal Credit Union Field at Sports Force Parks Stadium.
