## **Mission Statement:**

The mission of the North Point Educational Service Center Business Advisory Council is to engage the business and education communities to understand and support the educational and employment needs within our service region of Erie, Huron, Ottawa and Sandusky Counties.

The regional BAC meets four times per year. Meeting dates for the 2022-23 school year are as follows:

- Quarter 1: Thursday, September 29, 2022 @ 9:30 AM
- Quarter 2: Thursday, December 15, 2022 @ 9:30 AM
- Quarter 3: Thursday, March 16, 2023 @ 9:30 AM
- Quarter 4: Thursday, June 15, 2023 @ 9:30 AM

NPESC's BAC is a leader for many regional, multi-county initiatives and strategies. The BAC establishes the goals, strategies and direction for the entire region. Additionally, the BAC continues to maximize impact by operating unique activities and initiatives managed by committees in each county (Erie, Huron, Ottawa and Sandusky). Each county committee is made up of key business leaders, school personnel, economic directors, and other community based organizations unique to the county. Updates about each county committee's progress toward goals and initiatives are provided by representatives at each quarterly NPESC BAC meeting and documented in the meeting minutes. The regional BAC meetings allow for rapid idea sharing and replication of successful initiatives and experiences.

Each county committee has established a regular meeting schedule for the 2022-23 school year as follows:

NPESC's BAC strategies are directly aligned to the three goals established by the Ohio Department of Education for Business Advisory Councils which include:

- *Develop Professional Skills for Future Careers - Work together to delineate key professional skills needed for the future job market. Develop a curriculum that instills these skills while advising on changes in the economy and job market.*
- *Build Partnerships - Develop working relationships among businesses, labor and education personnel.*
- *Coordinate Experiences - Create environments that allow students to demonstrate proficiency in critical professional and specialized skills that will aid in future employment.*

## NPESC's Regional Strategies for the 2022-23 school year include:

### **GOAL 1: Develop Professional Skills for Future Careers**

*Increase understanding of students' aptitude and interest in relation to in-demand careers.*

*Share information about workplace behaviors and skills needed for students' success in future careers.*

*Implement regional Career Exploration Framework in all schools in the region.*

*Explore and implement additional Industry Recognized Credential Programs and new Career Pathways.*

### **GOAL 2: Build Partnerships**

*Foster dynamic on-going communication and strengthen the relationship between business and education.*

*Continue successful existing and create new professional learning activities to expand educators' knowledge of the changing landscape of opportunities for students after high school.*

### **GOAL 3: Coordinate Experiences**

*Expand opportunities for job shadow experiences, student internships and other opportunities to support student academic experiences.*

*Engage youth in better understanding of the career, college, and military opportunities available in their community and understand what it takes to prepare for these careers.*
