NPESC Preschool Services

- Does your district struggle with providing supervision services for preschool?
- Could you benefit from a supervisor who specializes in preschool to provide guidance?
- Licensing rules are always changing and updating. Are you prepared to facilitate these changes?

NPESC offers Preschool Supervision Services and Preschool Consultation Services to help districts meet the needs of their youngest learners. Our knowledgeable professionalises ensures compliance, quality programming, and support for educators and families.

Why NPESC?

With a dedicated focus on preschool, NPESC provides the knowledgeable professionalism and structure needed to support high-quality early childhood education. Whether you need supervision or consultation services, contact us today to discuss how we can help your preschool program thrive!

Preschool Supervision Services

Comprehensive oversight and leadership for preschool programs, including:

- Training & Certification: Nonverbal CPI modules, First Aid, CPR, Communicable Disease, Public School Works
 - Hiring & Supervision: Staff hiring, supervision, staff meetings-licensing, SUTQ updates
 - Teacher Evaluations: OTES evaluations and feedback
 - Ongoing Support: Monthly teacher surveys, classroom check-ins
 - Task & Documentation Assistance: Monthly task checklist
 - Challenging IEP Meetings: Support for difficult cases as needed
 - Subscriptions & Resources: Access to valuable teaching tools (boom learning, shared preschool drive)
 - Collaboration Meetings: Facilitated brainstorming sessions on behaviors, PBIS, and more
 - Licensing & SUTQ Compliance: Guidance and support to maintain state requirements
- Consultation Services: A dedicated resource to answer preschool-related questions and provide knowledgeable professional advice.

Preschool Consultation Services

Guidance and knowledgeable professionalise without direct supervisory responsibilities including:

- Task & Documentation Assistance: Monthly task checklist
- Collaboration Meetings: Facilitated brainstorming sessions on behaviors, PBIS, and more
- Licensing & SUTQ Compliance: Support in meeting state requirements
- Consultation Services: A dedicated knowledgeable professional available to answer preschool-related questions and offer guidance
- Staff Meetings: Regular updates on licensing, SUTQ, and other preschool requirements
