

North Point Educational Service Center is currently seeking to fill a part-time (.4 FTE) Gifted Intervention Specialist position for the current 2018-19 school year.

Location:

Sandusky County: Lakota Local Schools

Description:

To provide instruction for identified gifted and talented students in grades 3-6, and to assist in the identification of qualified students for the Gifted program. Design and deliver appropriate lessons that motivate and challenge individual students, primarily in the content areas of Math and Reading/LA.

Certificate/Licensure:

Gifted Intervention Specialist K-12 Endorsement (or currently enrolled in a Gifted Endorsement program)

Education/Experience:

Bachelor Degree or higher in education. Candidates must possess good communication skills and work effectively with other teachers, staff members and administrators.

Application Process:

To apply for this position, please complete/return a North Point employment application (downloadable from www.npesc.org) along with a resume, a cover letter and a copy of a valid license to Brooke Moore at bmoore@npesc.org
