Lunch will be provided

Join us for a full-day, St. Patrick's-themed professional development session where we'll break down the essentials of high-quality evaluation and documentation practices. Whether you're new to writing or looking to refine your skills, you'll walk away feeling confident, supported, and lucky to have attended.

From aligning data with needs to crafting measurable goals and meaningful present levels, this event will help ensure your documentation meets student needs and compliance expectations — without the stress.

Come prepared to collaborate, learn, and collect golden strategies that strengthen your writing and your practice.
