

“Teacher Talk” Networks via ZOOM

“Let’s Get Connected”

North Point ESC is excited to host networking meetings for teachers by content areas and grade levels. Using ZOOM as our digital platform, we will connect teachers from the region to share instructional ideas and ways to sustain relationships with our students during these unprecedented times.

Outcomes:

- Developing networks with area-wide, K-12 content teachers to get connected;
- Sharing tips and tricks that create an on-going connection with our students and parents;
- Growing ideas for assessing students online, progress monitoring, and designating grades;
- Collectively exchanging practical strategies that make instruction meaningful and engaging.

We will host weekly “Teacher Talk” meetings for the duration of the school closure order.
