

Community Outreach Health Screenings

Screenings

Lab Screenings

Offered one Saturday a month from 7-9:30 a.m.

Appointment required, call 419-557-7840.

Screenings include: Complete Blood Count with Metabolic and Lipid Panel, \$45; Hemoglobin A1C, \$25; PSA (Prostate Specific Antigen), \$30; Vitamin D, \$35; TSH, \$25.

Vascular Screenings

Offered one Tuesday a month from 7-11 a.m.

Appointment required, call 419-557-7410.

Screenings include: Stroke/Carotid Artery Screening; Peripheral Arterial Disease Screening; Abdominal Aortic Aneurysm Screening. \$60 each, \$115 for two screenings, \$170 for three screenings.

Skin Cancer Screening

Offered once a year in the spring. Free skin screening open to anyone needing a spot or full body check for any suspicious moles or areas of concern. Appointment required.

Free* Breast Health Screening

This screening event is for the uninsured and underinsured, including those with high deductibles. *Any eligible insurance will be billed; however, patients will not be billed for any remaining balance. Offered twice a year in the spring and fall. The screening includes a clinical breast exam, education on prevention and early detection, and a screening mammogram if indicated by a physician. Appointment required.
