North Point Professional Learning Team

John Lukasko - Instructional Coaching, School Safety, Social Studies Consultation

John joins NPESC as an educational consultant after 32 years in education. His years of service include serving as an assistant principal, social studies department chairperson, and social studies teacher. John has extensive experience in teacher evaluation, mentoring and instruction. He is passionate about instruction that involves students “reading, writing, and speaking” everyday with a focus upon literacy and critical thinking. John’s roles also included leadership in implementing and managing school safety procedures and building expectations concerning school culture and discipline.

Areas of expertise include: Teacher evaluation and instruction, OTES 2.0, School safety procedures, threat assessment, assistant principal responsibilities, school discipline and culture, student/parent handbooks, Social Studies instruction.

Char Shryock - Instructional Coaching, Leadership, Data Analysis, HQIM, Math Consultation

Char serves as NW Ohio Regional Lead for High Quality Instructional Materials (HQIM), A Data Analysis and Assessment Facilitator, and Math Specialist at North Point ESC, where she partners with districts to strengthen instruction through strong curriculum, actionable data, and sound assessment practice. An OESCA-trained Lead Instructional Coach and Trainer, Char draws on 37+ years of K-12 experience — spanning classroom teacher through superintendent, including 22 years as a middle/high school ELA and Science educator, technology integration specialist, Director of Curriculum and Instruction, and Superintendent — to help teachers and administrators translate strong materials and clear data into instruction that moves students forward. char.shryock@npesc.org

Areas of expertise include: High Quality Instruction and Instructional Materials Selection and Implementation, Curriculum Design and Review, Differentiated Instruction, Instructional Coaching, Deeper Learning, STEM, Generative AI, Assessment, Actionable Data Analysis, Strategic Planning, Leadership Team Development, Student Leadership Development, Communications, Parent and Community Engagement, Facilities Planning

North Point Professional Learning Team

Kim Swartz - Data Analysis, Testing Coordination, SEL for staff

Kim serves as an As-Needed educational consultant for NPESC, bringing 30+ years of experience as a teacher, principal, and director of curriculum and instruction. With a broad educational knowledge base, she helps districts navigate challenges, identify opportunities, and develop practical solutions. From leadership and career planning to unwrapping academic standards and more, Kim has become a trusted resource for colleagues and looks forward to partnering with districts to support educators, strengthen programs, and meet each district's unique needs.

Areas of expertise include: Mentoring, Coaching, Leadership, Relationship Building, Career Planning, Academic Standards, Curriculum, Instruction, Data Analysis, Grading and Assessment, Depth of Knowledge

Ashley Spangler - Workforce Readiness, Career Coach Coaching, Student Soft-Skills

Ashley serves North Point ESC as the Workforce Readiness Coordinator. She comes to North Point with various background experiences in both business and education. Before coming to North Point, Ashley worked with the Ottawa County Improvement Corporation, Danbury and Margaretta Schools, and various industry partners to encourage collaboration for students' future career paths. aspangler@npesc.org

Areas of expertise include: Career Coaching, YouScience Data and Reporting, Career Exploration Program Development K-12, Job Shadow / Internship / Work Based Learning Program Development, Teacher / Student Business and Education Liaison

Robin Welch - Student Behavior Intervention

Robin is a dedicated behavioral specialist with many years of experience working with students facing behavior challenges. Passionate about creating supportive and inclusive environments, Robin develops personalized strategies to help educators help students succeed both academically and socially. Known for her compassionate approach, Robin has successfully transformed numerous classrooms into spaces where every student feels valued. In addition to her consultation services, Robin conducts workshops to train educators in proactive classroom management techniques. rwelch@npesc.org

Areas of expertise include: Mentoring/Coaching, CPI training, Verbal de-escalation, Identifying behaviors and strategies for change, Understanding disabilities and strategies for success, Behavior Management strategies, Creating and implementing FBAs and BIPs
